

## Membership Application

Any organization that supports the educational, scientific, and charitable mission of Dryad is eligible to become a Member. Applications will be reviewed by the Board of Directors. Upon acceptance, a Membership Agreement and request for dues will be sent to the address given. Membership is active once Dryad has received the signed agreement and dues. Please send your completed application to the director email address below or mail it to: Dryad, PO Box 585, Durham, NC 27702-0585 USA

For more information on Membership, please see <http://datadryad.org/pages/members> or contact [director@datadryad.org](mailto:director@datadryad.org)

1a. Name of organization (the preferred name to be used on official Membership lists)

1b. Legal name of organization (if different from above)

2. Please briefly describe the nature of the organization and its interest in Dryad's mission

3. Gross annual revenue

Dryad membership fees are based on members' annual revenue. Please see the chart on page 3 to determine your membership dues.

4. Billing contact name

5. Billing contact email address

6. Billing contact postal address

## 7. Publications

One Member benefit is a discount on Payment Plans for qualifying journals published by the Member. Please list journals that your organization publishes. If too many to list here, please send to [director@datadryad.org](mailto:director@datadryad.org).

## 8. Membership term

Membership years run January-December. Membership may start in 2013 or 2014 and may be selected for multiple years.

Start in January of

Year

End in December of

Year

## 9. Organizational representative

The organizational representative will receive all regular communications on behalf of the Member organization, excepting those concerning dues. The representative may serve as the delegate at the Annual Meeting or appoint another delegate in his/her place.

## 10. Organizational representative's email address

## 11. Comments (please add any additional information, comments or questions here)
